CHARGING INSTRUCTIONS: These vibrating toys arrive with a partial charge, so it is recommended to fully charge them before use. Connect the USB plug into the USB port of your computer or other output and the other end of the DC charger into toy's input. Initial charge will take about 60 minutes, and subsequent charges also take about 60 minutes to complete.

The indicator light will flash while device is charging, and remain solid when toy is fully charged. There is no danger of battery damage by overcharging, but it's recommended not to overcharge for long periods of time.

Charge lasts for about 50 minutes of play time on the butt plug, and about 70 minutes for the butterfly clitoral stimulator.

Toy vibration will stop completely when charge falls below the power level necessary to keep it at full speed.

This toy comes with a Li-ion rechargeable battery and operates at 3.7V. It vibrates at a sound level of 50 db.

INSTRUCTIONS FOR USE: This two-toy combination can be operated separately or together.
