

## PLEASURE EGGS REMOTE DUSKY PLEASER BLACK

This vibrating egg comes with a wireless remote controller and offers 9 different vibration patterns. A vibrating egg is great for pelvic muscle training, and for pure erotic enjoyment of course. A draw string is firmly attached to the egg for easy withdrawing. If you give the wireless remote to your partner, you'll be surprised by exciting changes in vibration.

Egg dimensions: diameter: 3.4 cm, length: 8.7 cm, weight 89 gr.

Press and hold the power button on the egg for 3 seconds to put it into standby mode. Press and hold the power button on the remote controller for 3 seconds as well to turn it on. Use the function button on the remote to control the vibrations.

The device can be paused and reactivated directly within 20 minutes with the remote control. Otherwise the toy will be off and you'll need to press the power button on the egg again first.

The program can also be changed by pressing the power button on the egg. This way, the toy can also work independently from the remote.

The Egg is rechargeable. The remote controller needs a 3V button battery, type CR2032 3V.
