

## ELITE JOEL

The Joël vibrating penis ring from the Elite collection by Dream Toys has a stylish gold coloured vibrating bullet that looks great with the soft black silicone of the ring. The sleeve that holds the bullet has a rabbit with two flexible ears and a nubbed texture to tickle and stimulate the clitoris. The penis ring has 2 flexible rings, the smallest one with anti-slip structure inside, the biggest one more flexible so it can be used as a scrotum ring. The powerful bullet of the Joël cockring offers 7 vibration programs and 3 speeds that can be operated with a single button on the bullet.

The Elite collection is a new range by Dream Toys featuring 7 toys that were designed for stylish satisfaction. The Elite collection is made of high grade soft black silicone and has subtle gold coloured accents giving the toys a sophisticated look. They come in matching packaging and are equipped with strong motors that drive multiple vibration patterns and speeds.
