

The BOO logo consists of the letters 'b', 'o', and 'o' in a white, rounded, lowercase font, set against a red background. The 'b' and the first 'o' are connected at the top, and the second 'o' is slightly offset to the right. The logo is centered between two horizontal light blue bars.

BOO DELAY GEL MEN 50ML

BOO delay gel has a mild anaesthetic effect that helps to delay the orgasm. This results in longer sessions of sexual pleasure. The unique formula of the BOO BOO Delay Gel helps to prevent a premature ejaculation.

The gel is easy to dose and make the penis less sensitive, whereby a premature ejaculation is delayed. They extend the sexual intercourse and make it more intense.

The product is easy to apply and quickly adsorbed based on natural extracts, which are neutral to the skin.

Laureth-9, Avena Sativa Kernel Extract and Hypericum Perforatum provide a mild anaesthetic effect, making the penis less sensitive. This way they help with the delay of the ejaculation.
