

The BOO logo consists of the lowercase letters 'boo' in a white, rounded, sans-serif font, centered within a red square. The square has a small white semi-circle at the bottom center, giving it a speech bubble-like appearance. The logo is positioned between two horizontal light blue bars.

BOO DELAY SPRAY MEN 22ML

BOO delay spray gel has a mild anaesthetic effect that helps to delay the orgasm. This results in longer sessions of sexual pleasure. The unique formula of the BOO Delay Spray Gel helps to prevent a premature ejaculation.

Spray is easy to dose and make the penis less sensitive, whereby a premature ejaculation is delayed. They extend the sexual intercourse and make it more intense.

The product is easy to apply and quickly adsorbed based on natural extracts, which are neutral to the skin.

Laureth-9, Avena Sativa Kernel Extract and Hypericum Perforatum provide a mild anaesthetic effect, making the penis less sensitive. This way they help with the delay of the ejaculation.
